AUDIO BOOKS/STORYTELLING

ADRIENNE ELLIS INSTRUCTOR

Adrienne Ellis currently has over 36 audio books for sale on Amazon.com. In addition to being a working professional actor she has a MFA from UCLA and a teaching credential from Sac State. Training teachers internationally, and presenting at community colleges in California for the Foundation of Community Colleges, gives her a unique perspective on how students learn and how to apply that knowledge in the classroom setting.

Interested in narrating audiobooks? This class will help you decide if audiobook narration is right for you.

This class covers the steps involved, including: finding a book to narrate, auditioning, recording, editing/mastering to the final step of having Amazon sell your narration worldwide through their Amazon.com website and receive a voice credit!

ACX/Audible is the first step.

Learn to navigate the ACX website, what it takes to be a professional audiobook narrator.

Bring in a :30 passage from a book and be recorded and receive professional direction from Adrienne.

You will also get an mp3 copy of your work.

The class will also briefly cover storytelling as both an art as well as a great way to interact with your children, grandchildren, and for your own pleasure.
