Over the past few years I have had the good fortune of working with Nakamoto Productions for all of my voice-over needs. When the deadlines are fast approaching and time is of the essence it's great to know that I'm covered.

I've never been let down. The talent pool is just amazing. The turn around time is exceptional. I would strongly urge you to use Nakamoto Productions for your next project. I've recently moved the studio to Hollywood and I still rely on Nakamoto Productions for my voice-over needs. Thanks Ray for your friendship, your professionalism and your support over the years.
